

Sycamore District Unit Recognition Form

December 12, 2010 is Sycamore's annual Appreciation Dinner. Each year the dinner committee gives every unit the chance to honor one of their own. Every unit has that special person who works behind the scenes and gets little or no recognition.

To honor a volunteer, complete the form at the bottom of this page and return it to the address below. The district will provide a certificate at the dinner that can be presented to the volunteer at the dinner. You will have 1 – 2 minutes to recognize this person at the dinner.
