SCOUTING FOR FOOD

In keeping with the Boy Scouts of America slogan "Do a Good Turn Daily," the local Scouts of our area are conducting their annual food drive to collect food, personal hygiene and paper goods. All donations will go to your local food pantry who, in turn, serve families in need of help.

We hope that you are able to donate again this year and feel confident in knowing that all donations go to **YOUR** community food pantry to feed those less fortunate in your town.

The Scouts of _____ will be leaving a bag at your home for you to donate non-perishable food or personal items. If you would like to donate any items, please put them in this bag and then put the bag outside your door on _____.

The Scouts will be by to collect the bag on this day between the hours of _____ to _____. If you would like to donate at a different time, or if you have any questions, please call your Scouting for Food Representative listed below.

Some suggestions for items include:
